

Accreditation

Bharti Taneja's ALPS International Academy is proud to be the preferred Academy accredited by the HABIA (Hair And Beauty Institute Authority). HABIA is a non-profit, government appointed, standard setting body of UK for Makeup, Hair, Nail & Beauty and is known for its highest educational standards in the world.

HABIA works with VTCT whose approved centers are recognized in over 100 countries across the globe like the UK, the USA, FRANCE, ITALY, SPAIN, NEW MEXICO, GREECE, ALASKA, JAPAN, CHINA, IRELAND, NETHERLANDS, MALTA, CYPRUS etc for its quality & excellence & has been leading the industry over 45 yrs.

A unique partnership of Alps & Habia ensures quality education, which gives great freedom of movement across the globe to its holders without the need of further technical examinations.

Alps International Academy's training modules imbibe you with latest concepts and scientific learning. It provides extensive practice, training on live clients, exposure to ultra modern tools & techniques so that the budding professionals are fundamentally correct and full of confidence.

Aspirant harmonizes with international standards at an affordable fee structure and also saves his / her valuable time & money required for traveling, staying & learning in abroad. So learn in rupees & earn in dollars.

International qualifications also open infinite career opportunities in the world of beauty as a business entrepreneurs, managers, cosmetologists, make-up professionals, hair designers, nail designers, beauty therapists, colour therapists and also opens a gateway to fashion industry. So if you think this is the right path for you, let us be your guiding light and make the world a more beautiful place to live in.

Mrs. Bharti Taneja
Principal, Alps Academy

“ A career is more than just about money, it's about leading a life full of pride and with great self esteem. A life, where your touch actually transforms a person into an epitome of pride & confidence.

Truly, a career in the business of beauty is more than you have ever imagined it to be! This multi-billion dollar industry not only breaks the monotony of life but also gives you a platform to be creative. It is also one of the most lucrative industries with infinite growth opportunities, whether you want to settle in India or abroad, own a business or step in the field of glamour.

However, to achieve success, opportunity should meet preparation. So, to excel and prepare your self for the challenges, Alps International Academy is the ultimate destination to learn A-Z of the industry. My dedicated trainers impart pragmatic education, provide extensive practice and also imbibe you with the knowledge of ultra modern tools & techniques so that you are fundamentally sound and high with confidence.

All the best for your future! ”
